Scottish Government's building standards division

<https://beta.gov.scot/publications/building-standards-contact-information/>

Local authorities' building standards contacts

Building Standards in Scotland is essentially a local function. The Building Standards office in your local area should be your first point of contact for all Building Standards enquiries. The hyperlinks (Local authority name) will take you to the authorities building standards pages.

Local Authority	Email	Telephone Number
<u>Aberdeen City</u>	pi@aberdeencity.gov.uk	01224 523470

Local planning authorities

The list below has contact numbers and email addresses for each planning authority. The hyperlinks will display all applications that have been submitted to the authority. The general public can view and comment on all submitted applications. If someone wants to comment, they need to register their details on that authority's page directly.

Local Authority	Email	Telephone Number
<u>Aberdeen City</u>	pi@aberdeencity.gov.uk	01224 523470

Independent Planning Advice

PAS provides a free, impartial, independent, enabling, and professional planning advice service to members of the public and community groups to help them understand and engage with the planning system. Their advice service is provided by volunteers, who are all fully qualified and experienced planners based throughout Scotland. Our planning advice service deals with hundreds of enquiries annually from members of the public and community groups. PAS (Planning Aid for Scotland)
